About PyConf Hyderabad

PyConf Hyderabad is the annual regional gathering for the community that uses and develops the open-source Python Programming Language.

Hyderabad's premier conference on using and developing Python programming language will be held on February 22nd and 23rd, 2025.

Hyderabad Python Community (HydPy) is one of the largest Python communities in India and organizes PyConf Hyderabad.

PyConf Hyderabad over the years

- Twitter: 1,800+

Why should you sponsor?

Put Your Business In The Spotlight

Stand out among the attendees by prominently displaying your products and marketing material.

Give Back To The Community

Show your goodwill and reliability by supporting the community. Sponsorship is a way to give back and thank them for their support. Your contribution helps PyConf Hyderabad stay affordable and accessible to a broad audience.

Low Cost Marketing

Instead of spending a fortune on traditional advertisements, take a look at our reasonably priced sponsorship tiers and pick one - letting you be discovered and known to the cream of the community at maybe half (or even less!) of your marketing budget.

Hiring

The conference has a history of attracting smart folks from various backgrounds and also of making matches between them and potential employers. Get connected, make your pitch and find the best programmers to join your ranks!

Flexibility

Have something specific in mind? Please don't hesitate to ask! We are more than happy to work with you and tailor the sponsorship benefits to suit your needs.

Startup Discount

To make PyConf Hyderabad affordable to small businesses and startups, we provide a 50% discount for Silver tier.

Note: Avail 50% discount if you're a business established not more than 3 years ago with less than 10 current employees.

Interested in sponsoring PyConf Hyderabad?
